Missions Update

Rob & Shirley Hammond ~ Austria

Women's Retreat, February 25-27. "The Unknown God Can Be Known", "Attributes of God We Don't Often Think About" and "The Other Side of God" were themes of the speaker's lectures. 175 women attended and 15 of those were from our church plus 4 other women from Women's studies in surrounding areas.

SOME HIGHLIGHTS.....

- Helga accepted the Lord at the Women's Retreat six or seven years ago and is now leading the Prayer Team.
- One of the women in the music team said two years ago at the retreat that God had spoken to her about an issue in her life and she was able to give this issue to the Lord and step by step she is seeing God answer.
- At the last meeting on Sunday a time of blessing and praying for the women was offered by women who were scattered around the room. One woman said this was her first time at the retreat and no one had ever prayed for her before and she wanted to be blessed. I was so touched with the women with whom I was privileged to pray. Pray for these women many of whom go back to difficult situations where husbands and extended family are not believers.
