☞ Seeking Him

Cost: \$ 17

This 12-week interactive study is designed to lead you into a revived relationship with our loving heavenly Father. God wants to reveal Himself to you; He wants to fill your heart with Himself; He wants to set you free from every unholy passion; He wants you to drink deeply of the joys found in His presence; He wants your service for Him to be the overflow of genuine love and an authentic life; He wants you to be a reflector of His glory in our dark world. He want you—and His entire church—to be revived. This excellent study is for all women who are committed to seeking God for revival in their lives.

☞ Daniel

Cost: \$ 16

Just as the prophet Daniel faced unbelievable pressure to compromise his faith in a hostile culture and was constantly confronted by temptations and threats, today's believers face similar trials. The first part of this 12 session study, taken from Daniel chapters 1-6, deals with Daniel's life as he faced the kind of pressures and temptations Christians encounter today. Daniel models how to develop enduring integrity in an enticing world. The second portion, Chapters 7-12 explores thrilling prophecies from the time of Daniel through the second coming of Christ. Come to this incredible study prepared to LEARN!

Thursday

9:30-11:30 a.m.

Begins January 7

☞ Stepping Up: A Journey Through the Psalms of Ascent

Cost: \$13

This study is an in-depth look at 15 Psalms. Just as a song or poem can express feelings of fear, doubt, hope, and joy, these 15 psalms model how study participants can voice their own petitions and praises to our God, who is always available and ready to hear us. Explore the major feasts of Israel and journey with Beth Moore through Psalm 120-134. Themes such as unity, joy and gratitude, redemption, repentance, the power of blessings, facing ridicule, and more are explored in detail. Modern-day believers can learn much from these treasured Psalms in their journey toward greater intimacy with God.

Thursdays 7:00-8:30 p.m.

Begins January 7 Continuing from Fall 2009
