**Butch & Shirley Hammond ~ Austria**

You can thank God with us that our building project was completed enough to have the opening for the community yesterday. It was a time of rejoicing that we have come to this point. As you can imagine there were lots of last minute decisions and a lot of cleaning to be done. Our facility will be a multi-purpose facility which can be used by the community when there are not church activities. We are trusting that the Novum (the name for the facility means "new" in Latin) will be a place where people will start a new life with Christ.

You have been praying for Willem, Butches former Mormon friend. Butch had the privilege of helping to baptize him. It was a real victory for Willem and he was so happy that his wife and daughter attended. .
