Why should I fill out a Communication Card?

The Communication Card is just that – a card that enables us to have a dialogue of sorts with everyone who attends our church on a given Sunday.

Having everyone fill out a communication card each week serves a number of purposes.

- First of all, guests feel more comfortable doing what we've asked them to do because they aren't alone. If we asked just the guests to fill out a card, they would be hesitant to comply because that would announce to the world that they are, in fact, guests.
- Plus, the positive aspect of a congregation-wide activity actually encourages guests to participate ~ they won't be singled out by "*not playing along.*"
- if you don't feel it's important, the guest sitting next to you won't either.

Help us reach everyone who visits East Swamp Church, fill out the communication slip each week!

Thank you for joining us this morning. We ask our members and guests to fill out this communication card to help us know you better.
